

Welcome to Theriot Family Chiropractic Center

Thank you for choosing our office for chiropractic care. We are committed to providing your family with the highest quality of corrective and wellness chiropractic care available so that you and your family can enjoy an active, healthy life. We will be working together to help you and your family reach your health and wellness goals. If you ever have any questions about your chiropractic care, please don't hesitate to ask one of our highly educated chiropractic team members.

In our unending quest to serve you to the best of our ability, we have detected some glitches in our procedures that prohibit us from giving you the individual attention you deserve on each and every visit. Every Chiropractic adjustment must be delivered with 100% of our focus and healing intent. This ensures that you can get the best results from your chiropractic care. It is for this reason that adjusting times will be as follows:

Monday, Wednesday, Friday

**8:30 am, 10:15 am, 10:45 am, 11:15 am, 11:30 am, 2:15 pm, 3:45 pm, 4:15 pm,
4:45 pm, 5:15 pm**

By grouping patients together at times designated for your adjustments, the focus and energy in the office are elevated and you benefit from chiropractors who are "in the zone," focused on you and delivering the best adjustment to you at the best possible moment, with no distractions. Scheduling visits and making payments in advance also saves you time at the front desk, so your visits are efficient and frees you up to enjoy family or leisure time. Keeping procedures efficient also helps us keep our chiropractic care plans affordable by keeping costs down.

We look forward to a long, healthy relationship with you and your family.
